LORI KAYU

Permainan Lori Kayu adalah inspirasi dari zaman kanak-kanak era 80 an. Permainan ini diperbuat dari sisa kayu yang terpakai. Ianya dicipta mengikut bentuk lori. Permainan ini dimainkan secara berkumpulan dan dimainkan di tanah lapang. Cara permainan ini, seorang pemain membuat garisan terlebih dahulu dan setiap pemain akan menyusun lori di garisan permulaan, kemudian Lori Kayu akan di sorong ke hadapan dan lori pemain yang paling jauh ke hadapan adalah dianggap pemenang.

LORI KAYU

Lori Kayu game is inspired from the 80s of which it uses unused or recycled wood and made into the shape of a truck or lorry. The game is usually played in groups and played on open ground. First, the starting line is marked to which all trucks are placed accordingly. All players then push their trucks forward and the one that reaches the finishing line first is declared as the winner.
